

educational opportunities for students, and/or support and enhance our image in the community.

2. Camosun College is "a comprehensive educational institution providing our community with access to the knowledge and skills relevant to the future economic and social development of the community" (see link to Strategic Plan). The College values working with other like-minded organizations in the best interests of our learners and the community in achieving our mission.
3. Partnership arrangements formalized under this policy:
 - a. Must always result in the enhancement of the College's mission and purpose and be in the best interest of the learner and the community;
 - b. Will in no way affect the freedom of the College or its employees to determine the focus, tone or content of program curriculum or research;
 - c. Will not be established with organizations or bodies having views that are contrary to or offend sound educational and community values.
4. Agreements formalized under this policy will contain a provision for review of the arrangement within a defined time period and a clause allowing for cancellation of the agreement if the spirit or specifics of the agreement are not upheld.

College needs and those of the potential partnering organization's needs. A partnership usually involves a financial arrangement which can take the form of a supplier reducing equipment costs or a College department providing programming using a partnering organization's equipment.
